Developing Leaders of Integrity

Individuals and organizations across the nation have joined us in our mission to help our greatest asset—our children. We invite you to join us in this exciting vision to make a difference in their lives.

We never use the word “Donor” to refer to you as you contribute your finances to our mission. We call you a “Summit Investor” because you are climbing with us to the summit as you invest financially in the future of our kids. When we reach that summit, we will look at the valley and see the fruits of our labor. We ask God to help us be wise with our finances in order to reach as many kids as possible through our programs.

We are aggressively working with public school systems to introduce them to our exciting leadership and character development philosophy. We also go to juvenile court and work with kids who have already made the wrong choices. We hold seminars for teens who need to be given a vision for their lives. We also train the adults who work with young people. Our work never stops. We thank you for your encouragement and support.

Celebrate Life International, Inc. is a qualified 501(c)(3) tax-exempt service organization. Contributions made to CLI may be tax deductible for you. Please see your tax advisor.
