Teach One to Lead One®

Mr. Shawn Naidu, National Director

Celebrate Life South Africa (CLSA) is an international non-profit organisation committed to transforming South Africa’s youth into responsible citizens by building in them character through the teaching of practical skills and universal principles. This is done using our highly interactive, relevant and mentor-based **Teach One to Lead One® program (T1L1)**.

Your investment in **Celebrate Life South Africa** will help make a difference in a teen’s life. One **T1L1** learner commented, *“I used to have a bad habit of being in a gang. But after T1L1, I learnt how to break bad habits, and now I no longer belong to a gang.”*

NOW IT IS YOUR TURN TO BE A PART OF THIS TRANSFORMATION.
